Mr. Jorgen Lissner  
Resident Representative  
United Nations Development Programme (UNDP)  
IDB Bhaban, Sher-e-Bangla Nagar  
Dhaka – 1207, Bangladesh

Dear Sir,

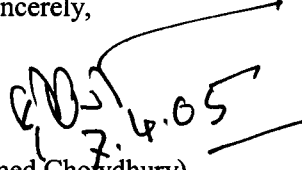

**Re: Community Based Adaptation Programme under CC-SPA**

On behalf of the Government of Bangladesh and, in my capacity as Global Environment Facility (GEF) Operational Focal Point, I hereby endorse the request of funding for US\$ 737,000 for the above-mentioned activity, to be presented through the United Nations Development Programme (UNDP) to the GEF for PDF-B funding leading to a FSP.

By requesting this assistance, the Government of Bangladesh expresses its interest in receiving UNDP support during the PDF-B activities and subsequently during the implementation of the mentioned full size project. We understand that apart from Bangladesh, three other countries, identified in the proposal, have also provided their endorsement.

We look forward to your kind consideration in this matter.

Sincerely,

  
(Jafar Ahmed Chowdhury)

Dear Sir:

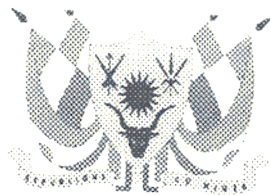

With pleasure we received the communication that Bolivia was included within the PDF B for the Community Based Adaptation Initiative oriented to support community –based initiatives to enhance the adaptative capacity through the Small Grants Program (SGP/UNDP).

The communication is better welcome in this moment, because our country is at the beginning of the implementation of the Five years Plan through the National Program of Climate Change. The goal of this plan is to implement actions oriented to reduce the emission of Greenhouse Gasses and mainly to improve the adaptative capacity of our communities.

Because of the above, on behalf of the Government of Bolivia and in my condition of UNFCCC Focal Point, I hereby endorse the project of reference and express my agreement with the content of the presented proposal and its implementation arrangements.

Looking forward for your consideration, I remain sincerely yours.

Objet : Programme « Adaptation à Base Communautaire du FEM (ABC/FEM) »

Monsieur le Représentant Résident,

En réaction à votre lettre citée en référence, j'ai l'honneur de vous exprimer toute la satisfaction du Niger pour la nouvelle initiative du Fonds pour l'Environnement Mondial (FEM) visant à offrir aux pays, des nouvelles opportunités pour atténuer davantage les effets néfastes des changements climatiques sur les populations les plus vulnérables, dans la perspective de développement durable et de lutte contre la pauvreté.

Aussi, le Gouvernement se réjouit du choix porté sur le Niger en tant que pays pilote à climat aride par le Programme des Petites Subventions (PPS-FEM), pour la mise en œuvre de ce nouveau Programme d'Adaptation à Base Communautaire.

En ma qualité de Point Focal Opérationnel du FEM, j'endosse au nom du Gouvernement de la République du Niger, la requête de financement du PDF-B soumise au FEM par le Comité National de Pilotage du PPS/FEM pour la préparation du Programme « **Adaptation à Base Communautaire du FEM (ABC/FEM)** » cité en objet.

En vous exprimant tous mes remerciements pour votre soutien constant, je vous prie de croire, Monsieur le Représentant Résident, à l'assurance de ma considération distinguée.
